Sharing on how alcoholism affects the relationships of:

1. Parent relationship with their spouse—because of adult child alcoholism.
2. Parents relationship with an active drinking adult child.
3. Grandparents relationship with a grandchild in their care, because of the parent's alcoholism.
4. Relationship between husband and wife when one is in Al Anon and the with in AA.
5. Adult child of alcoholic relationship with members of their family.
6. Relationship between Al Anon member and the active drinking spouse.
7. Relationship with others when the alcoholic spouse died from alcoholism.
8. Workplace relationship when alcoholism is the issue
